

# Impact the World - Robert Mack

<https://silosolo.com/627675>

## Summary

The episode is a conversation about happiness with special guest Rob Mack, a positive psychology expert. Positive psychology is the study of what makes life worth living and focuses on happiness, well-being, and success. Happiness leads to success in various aspects of life, including relationships, health, and career. Happy people live longer, make more money, experience less burnout, and have better overall well-being. Happiness also leads to kindness, generosity, and charitable acts. The episode dispels misconceptions about happiness and highlights the importance of prioritizing happiness for a successful and fulfilling life.
